2014 Australian Junior 8 Ball Championships

Tassie Quinella in the Australian Junior Singles Titles

Cale Barrett Under 18 Champion

Cale Barrett has won just about everything else there is to win in Cue Sports in the juniors but an elusive Australian Junior 8 Ball Championship had always been just out of reach until this year, successfully winning the Under 18 National Title at Bar 8 in Victoria. Cale has always finished in the finals of all the age groups and has been probably the most consistent junior of the past five years and thoroughly deserves the title, he also has made the Australian Junior Team for the second time and that team will travel to Blackpool in England to compete for the World Title.

Cooper Denmen Under 15 Champion

Cooper Denmen who comes from Devonport on the State's NW Coast has lived up to the promise he has shown at the Junior Events over the last few years by winning this years Australian Under 15's Singles Championship. Cooper has been making a huge impression on everyone associated with the State Juniors with his excellent attitude and the continued improvement in his game. Cooper is going to be a great leader for the Tasmanian Juniors in the coming years.

Stella Kearney Under 12 Champion

Stella Kearney from WA has capped off a remarkably 2014 Junior National Championship by becoming the first female to win a National Junior Championship. Stella played outstandingly during the championship finishing 2nd after the round robin losing only 1 match & ending with the remarkable figures of 10(Wins) 1(Loss) 30(FW) & 7(FL) at 81.08% Stella was also a member of the WA team that played in the final of the Teams Event losing to Victoria 9-7. This young lady has a huge future ahead of her.

Southern Tasmanian 8 Ball Association 2014 STEBA Open Singles Championship Results from the Group Stage

This year the STEBA ran the group stage of the Open Singles during the Christmas break over two weeks in January and we had a pretty good roll up with 16 players entering, one of our main aims was to try and entice some of our Div 2 players to play and we were happy to see that four (4) players did and they acquitted themselves very well. The top eight (8) qualifiers from this stage progress to the final day on Saturday March 1st, where they will play for the chance to be the 2014 STEBA Singles Champion and as an added incentive the four (4) Semi Finalists will receive State Cards for free entry into this years State Team Qualifiers. The format for the group stage was "Home & Away" while the Final Day will use a "Best of Three" Round Robin format, the Semi Finals matches will be "Best of Five" while the STEBA Open Singles Final will be "Best of Seven".

Hobart Eight Ball Association

The Hobart Eight Ball Association has been a regular 8 Ball competition on the Hobart scene for many year's and has become affectionately known as the "Monday Night" roster. The Association has it's base at the Black Buffalo Hotel after initially starting out of the Eaglehawk Inn with the inaugural President being Jeff Truscott. The current President "Barney" Campbell has been involved in the association from the very beginning and is ably supported on the committee by Bec Dennison, Jill Scott and Shane Carpenter.

A few seasons ago the committee and members voted to affiliate with the STEBA which allows their players to participate in STEBA championships and Eight Ball Tasmania events. Over the past few years they are normally the first team to enter the B Grade Teams Event and have preformed very well and it's only a matter of time before they make the final of that event.

The roster caters for venues with one tables and has team 12 teams in the roster this season with teams based from Kingston, Hobart City, North Hobart, Moonah, Claremont, Granton & Bridgewater.
