## 2014 David Smart Memorial Match

Launceston Workers Club - 1st February

This year the David Smart Memorial match returned to its spiritual home the "Launceston Workers Club" with a great day had by all the competitors with both associations putting out very competitive teams in both matches. This event that has now been held for six (6) years and has now established itself as the premier Inter Association match in Tasmanian Eight Ball. There is always friendly North vs South banter at this match, with everyone playing the games in great spirit.

## 2014 State Eightball Teams Event

Hobart Workers Club - March 15th & 16th

### The Waggon - 2014 State Team Premiers

Back - Jackson Horne, Andrew Boutcher, Nick Verschuur, Andrew Grundy  
Front - Andrew (Smiley) Triffitt, Mel Appleby, Andrew Holloway, Dallas Nichols, Chris Snare

The State Teams Event for 2014 was held at the HWC on Saturday March 15th & Sunday March 16th with six teams from around the state taking part. The closeness of the competition was shown by the fact that both finals required playoff's to decide the winners.

At the conclusion of the round robin one of the teams from the STEBA "The Waggon" finished on top of the ladder and progressed directly into the final, with the South East's "Rugby Club Breakers" playing the team from the North West Coast "The Combers" in the preliminary final. Over the past few years these two teams have had some great tussles and this match was no different, with the result decided in a playoff after scores were tied at 15-15. The resultant playoff was won by the Breakers 3-2 who advanced to the final against The Waggon.

In an enthralling final "The Waggon jumped out of the gates to take a commanding 9-1 lead, but slowly "The Breakers" dragged themselves back into the match to eventually have a chance to take the final but it was not to be and the Waggon's Chris Snare ensured the final would also go to a playoff. In the playoff the Waggon were to strong and won this 3-0 and in doing so won this years state teams event.

Eightball Tasmania would like to thank the staff & members of the Hobart Workers Club for the use of there venue and to Darren Jackson for giving up his time to run the event.

### Tasmanian State Ladies Team Qualifiers

The Hobart Workers Club hosted this years State Ladies Team Qualifiers and the Tasmanian Ladies Singles Championship on Saturday April 5th. Although there was only a small field the competition was very competitive & the standard of play was very high.

At the conclusion of the round robin for places in the State team to compete in Darwin (Team Pictured Above) in October the top three (3) qualifiers played off for this years State Ladies Singles Championship. The top qualifier Nellie Nichols was automatically into the final with Jenna Sampson playing multiple State Champion & current Australian player Fiona Plummer in the Semi Final to see who would progress to the final.

Jenna who had played exceptionally well all day finally defeated a very competitive Fiona 3-2 in a great match to advance to the final. This year's final would ensure the winner would be a new name on the State Ladies Singles Honour Board with neither player having previously winning the title. In another great match that went the full distance Jenna came out victorious winning the best of seven (7) final 4-3, the claim her first State Singles Championship.

# Southern Tasmanian 8 Ball vs Esk 8 Ball Association

On Sunday March 2nd the Southern Tas 8 Ball played the return match against the Esk 8 Ball Association at the Longford RSL Club, hopefully these representative games will now become a regular fixture on the calendars of both associations, with both matches played so far being a huge success. The STEBA teams are made up of a Masters Team which play the Esk No 1 team & a combined STEBA Ladies & Div 2 team that play the Esk No 2 team. This allows the STEBA the opportunity to give players who would not normally get the chance to play in representative matches the chance to enjoy these types of events.

The Esk put on a great BBQ for everyone on the day and everyone associated with both these matches so far, the STEBA hosted the 1st match in November at the HWC have enjoyed the atmosphere and fun that has helped make these matches a great day. The results of the representative matches were

**STEBA Masters (32) def Esk No1 (16)**  
**Esk No 2 (25) def STEBA Combined - (23)**

It is now hoped that the 1st Sunday in November (HWC) & the 1st Sunday in March (Longford RSL Club) will become a regular feature for both associations and maybe we can get a trophy organised to be played for in the future matches. The work done by the Esk's Simon, Kathryn & Stonie and the South's Phil Dando in getting this match to actually happen is really appreciated and hopefully other associations will look at how well these Inter Association games have been and we can get more of these games to be played every year.

## Josh Smart 8 Ball Benefit Night

Well what a great turn out by the friends and family for the Josh Smart Family Benefit night, we had 60 entries in the single frame 8 Ball knockout and at least another 60 people just turn up to show their support for this great cause and to benefit Josh's family.

Thanks must go to David Kearnes (and family) who suggested the idea of the benefit and then thanks to all the people who donated prizes that we were able to be raffled on the night (a full list will be published once we have to hand).

Thanks also must go to the NTEBA for the donation of \$300.00 towards the prize money for the 8 Ball knockout and the Launceston Workers Club for providing the venue and Eightball Tasmania for the use of their 4 competition tables.

Congratulations to Tony Quach winner of the 8 Ball knockout and George Zammit who was Runner Up.
